Ohio Pharmacists Association

You take care of patients. We take care of You.

Taking care of pharmacists by being one of the
 “top leaders of change and innovation”
 in the country.

Your voice is vital – and your participation is powerful.

Participation by pharmacists like you strongly impacts
 OPA's legislative and professional activities
 which profoundly influences how you practice, your professional
 opportunities, and most of all, your earning power.

Join Now & Strengthen your Profession!

OPA is here to help you through the exciting and challenging times facing pharmacists. We are taking a leadership role in many critical areas including payment for pharmacist services, health care reform, and the fight against prescription drug abuse. Your voice is critical in this changing environment, and joining OPA ensures that you have a key role in shaping the future.

Become an OPA member to receive critical information quickly, giving you the chance to impact pharmacy issues as diverse as medication therapy management and proper payment under Medicaid. Legislators want to hear from you, and when our members respond to OPA's emergency legislative alerts, politicians listen. Pharmacists like you become members to strengthen the profession's position. OPA recognizes that the shortage of pharmacists has come to an end, and we are working hard to ensure that you have strong employment prospects in the future. Our "Voter Voice" email alerts let you write your opinion on an issue, and "click" to send it. Join the thousands of other Ohio pharmacists like you working to keep the profession strong!
