

VALUE-BASED CARE: KEY ROLE FOR PHARMACISTS

Midyear Meeting
November 5, 2017

2017 MIDYEAR CPE ACTIVITIES

Pharmacists from all practice settings will be energized with the CPE programming by expert faculty. The meeting offers **one hour of pharmacy law CPE credit** to help meet Ohio's CPE requirement.

PHARMACISTS' ROLES IN VALUE-BASED CARE MODELS

Cathy Kuhn, R.Ph., PharmD, FAPhA and Hosain Aghamoosa, R.Ph., PharmD

Partners for Kids, Nationwide Children's Hospital, Columbus

This session will include the value and impact on health care by providing value-based care models in the pediatric patient setting. Various arrangements of the models, as well as roles and opportunities for pharmacists within the models, will be discussed.

ACPE #0129-0000-17-083-L04-P

OPPORTUNITIES FOR PHARMACISTS IN VALUE-BASED CARE: PANEL DISCUSSION

Moderator: Marc A. Sweeney, R.Ph., PharmD, M.Div. Dean, Cedarville University School of Pharmacy

The moderator and panelists will discuss various roles of the pharmacist in value-based care in traditional care settings. Challenges to implementing this practice will be identified, as well as how pharmacists can influence future care models.

ACPE #0129-0000-17-084-L04-P

PHARMACY LAW AND RULES UPDATE 2017

Paul Schad, R.Ph.

Compliance Specialist, State of Ohio Board of Pharmacy

This year has brought significant changes in Ohio law and Board rules that impact pharmacy practice. Our speaker will discuss recent updates to laws/rules, as well as proposed rules that are under consideration, including technician registration, new requirements for opioid prescriptions, and dispensing of multiple simultaneous refills. This session is a must for all pharmacists - bring your questions!

ACPE #0129-0000-17-085-L03-P

AN OVERVIEW OF MENTAL HEALTH DISORDERS: THE PHARMACIST'S ROLE IN OPTIMIZING CARE AND REDUCING STIGMA

Kelsey Schmuhl, R.Ph., PharmD

Charitable Pharmacy of Central Ohio

Mental health disorders range from depression and anxiety to bipolar and psychotic disorders, and these disorders are strongly related to the occurrence and successful treatment of many chronic diseases, including diabetes, cancer and cardiovascular disease. Yet the stigma associated with mental health disorders often causes needless suffering, potentially causing a patient to deny symptoms, delay treatment and have poorer clinical outcomes. This session will help provide a better understanding of caring for patients with mental health disorders, and how pharma-

cists can reduce the stigma surrounding mental health and reduce barriers for those seeking or receiving treatment for mental illness.

ACPE #0129-0000-17-086-L01-P

PARKINSON'S DISEASE IN 2017 AND BEYOND

Charles Mosler, R.Ph., PharmD, CGP, FASCP

Associate Professor of Pharmacy Practice, University of Findlay College of Pharmacy

This session will provide a brief review of Parkinson's Disease treatment and pathophysiology. The discussion will mostly examine how Parkinson's Disease is currently treated and what the future treatment of Parkinson's Disease will look like from a pharmacologic, nonpharmacologic and surgical perspective.

ACPE #0129-0000-17-087-L01-P

APPLICATION-BASED ACTIVITY

PAIN MANAGEMENT: A PRIMER FOR PHARMACISTS

Jessica Geiger-Hayes, PharmD, BCPS, CPE

Clinical Pharmacist, Palliative Care, OhioHealth Riverside Methodist Hospital

Pharmacists may begin to find themselves more involved in pain management in light of the current opioid epidemic. This session will provide a brief overview of the current Ohio guidelines for opioid prescribing, how to differentiate between different types of pain by using assessment skills, and development of treatment recommendations. Depending on the type of pain, opioids may not be the best choice. Opioid-sparing options such as anti-epileptics, gabapentinoids, and anti-depressants will also be explored. The aim of this presentation is to equip pharmacists to be more active participants in pain management in both community and hospital settings.

ACPE #0129-0000-17-088-L01-P

APPLICATION-BASED ACTIVITY

DIGGING INTO GOLD – OVERVIEW OF GOLD 2017 GUIDELINES

Andrew Straw, R.Ph., PharmD, BCADM

Assistant Professor of Pharmacy Practice, Cedarville University

This session will outline current medications for the treatment of Chronic Obstructive Pulmonary Disease (COPD) and the major changes presented in the 2017 GOLD Guidelines released in February 2017. Knowledge of guidelines will be applied to a patient case. A brief review of recent literature and emerging treatments will be discussed.

CONTINUING PHARMACY EDUCATION CREDIT

This meeting is targeted to all pharmacists. The continuing pharmacy education for this program is coordinated by the Ohio Pharmacists Foundation (OPF). To receive continuing pharmacy education credit, you must attend the entire session, actively participate, and complete the CPE form indicating sessions attended. Sign, date, and return the CPE form to the OPA staff, or to the OPA office **within 30 days of the meeting**. Your CPE credit will be uploaded at the end of the month to the CPE Monitor, where CPE statements of credit can be printed. Learning objectives for the continuing pharmacy education programs can be found on the OPA website at www.ohiopharmacists.org. All CPE sessions are knowledge-based activities unless otherwise indicated. Disclosure of faculty and commercial support relationships will be made known at the activity. Speakers are expected to openly disclose intent to discuss any off-label or investigational use of drugs, devices, or equipment in their presentations.

CONFIRMATION AND HOTEL INFORMATION

Upon registration, a confirmation letter or email will be sent to you along with hotel information and driving directions. From the OPA homepage (www.ohiopharmacists.org), you can also click on the *Midyear* link under *Events* to find *Hilliard Area Hotels*.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Disclosure: The OPF trustees and other individuals responsible for planning OPF continuing pharmacy education activities have no relevant financial relationships to disclose.
