OPA Compound Conference

September 8, 2019 | Embassy Suites by Hilton Columbus, 5100 Upper Metro Place, Dublin, Ohio 43017 | ohiopharmacists.org

Whether you have a compounding practice in a community or hospital pharmacy or ambulatory care setting, are just starting out in compounding pharmacy, or want to advance your practice, this important program is for you. At the OPA Compound Conference, attendees can meet face-to-face with compounding pharmacists, technicians, and marketing representatives while attending a variety of continuing education sessions focused on the latest information about compounding practice. You don't want to miss the continuing pharmacy education, exhibit hall and networking opportunities available at this conference.

NATIONAL COMPOUNDING SCENE...

WHAT'S IMPORTANT RIGHT NOW

*Scott Brunner, CAE; Executive Vice President
International Academy of Compounding Pharmacists*

Compounders are being hit with a wide range of federal and state mandates. Scott Brunner from the International Academy of Compounding Pharmacists will help you sort it all out. This important presentation will give you a clear picture of the compounding landscape.

Continuing Pharmacy Education Credit

This meeting is targeted to all pharmacists and pharmacy technicians. The continuing pharmacy education (CPE) portion is coordinated by the Ohio Pharmacists Foundation (OPF). **To receive CPE credit, you must attend the entire session, actively participate, complete the CPE form indicating sessions attended, and return the CPE form to the OPA staff, or to the OPA office within 30 days of the meeting. CPE credit will be uploaded to the CPE Monitor at the end of each month.** CPE Statements of Credit can be printed from the CPE Monitor. Learning objectives for the continuing pharmacy education programs can be found on the OPA website at www.ohiopharmacists.org. All CPE sessions are knowledge-based activities unless otherwise indicated. The Ohio Pharmacists Foundation adheres to ACPE Standards regarding industry support of continuing pharmacy education. Disclosure of faculty and commercial support relationships will be made known at the activity. Speakers are expected to openly disclose intent to discuss any off-label or investigational use of drugs, devices, or equipment in their presentations.

Disclosure: The OPF trustees and other individuals responsible for planning OPF continuing pharmacy education activities have no relevant financial relationships to disclose.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
