2026 INNOVATION SUMMIT ACTIVITIES

Join us on Friday, November 6, 2026, at Ohio Northern University in Ada, Ohio for "2026 OPA Innovation Summit: Midyear Reimagined", a dynamic event dedicated to advancing the future of pharmacy practice through collaboration, clinical education, and problem-solving. Earn 4.5 hours of continuing pharmacy education (CPE) credit as well as time to learn about vendor products and services during the Expo.

In the morning, attendees will hear brief perspectives from across the pharmacy landscape, then work in facilitated small groups around four key themes: pharmacy practice, legislative and regulatory landscape, drug pricing and reimbursement, and patient and provider engagement.

In the afternoon, speakers will present case-based or proof-of-concept sessions with a strong emphasis on practical application and replicability around four clinical areas: Specialty Pharmacy Care, Remote Physiologic Monitoring & Artificial Intelligence, Social Determinants of Health (SDOH), and Clinical Guidelines 2026 Update.

Check out the programming below and register as soon as possible for the best registration rates.

Catalyzing the Future of Pharmacy

Jennifer L. Rodis, PharmD, FAPhA, Professor of Clinical Pharmacy, Associate Dean for Outreach and Engagement, The Ohio State University College of Pharmacy; and Jessica Hatton, PharmD, BCACP, AVP, Pharmacy - Ohio, CareSource

What would it take to make pharmacy innovation actually work? This interactive morning CE session invites pharmacists, technicians, pharmacy leaders, managed care organizations, PBMs, and other stakeholders to answer that question together. Participants will hear brief perspectives from across the pharmacy landscape, then work in facilitated small groups around four themes: pharmacy practice, the pharmacy legislative and regulatory landscape, drug pricing and reimbursement, and patient and provider engagement. Each group will select a priority, develop practical goals, identify who needs to be involved, consider barriers to implementation, and share a brief summary with the full group. Attendees will leave with a clearer understanding of the challenges facing pharmacy and concrete ideas for advancing patient care, payment, engagement, and practice sustainability in Ohio.

ACPE #0129-0000-26-057-L04-P/T 0.05 CEU Knowledge-based activity

Clinical Spotlight: Specialty Pharmacy Care

Ariel Williams, PharmD, BCACP, R.Ph., Clinical Pharmacy Manager, AndHealth

This case-based session will highlight innovative approaches to specialty pharmacy care that improve patient outcomes, optimize medication access, and enhance care coordination. Speakers will share practical implementation strategies, lessons learned, and measurable results from real-world programs addressing challenges such as adherence, care transitions, financial barriers,

and multidisciplinary collaboration. Attendees will leave with actionable ideas that can be adapted and replicated within their own specialty pharmacy practice.

ACPE #0129-0000-26-076-L04-P/T 0.1 CEU Application-based activity

Clinical Spotlight: Clinical Guidelines 2026 Update

Bree Meinzer, PharmD, BCACP, CACP, Pharmacy Manager Managed Care & PGY1 Pharmacy Residency Program Director, UToledo Health

Stay current with the latest clinical guideline updates shaping pharmacy practice in 2026. Using focused patient cases, speakers will highlight key recommendations, discuss their clinical implications, and demonstrate how guideline changes can be incorporated into everyday decision-making. Attendees will gain practical insights and implementation strategies to confidently apply the newest evidence and recommendations in patient care.

ACPE #0129-0000-26-079-L04-P/T 0.1 CEU Application-based activity

Clinical Spotlight: Social Determinants of Health

Andrew Faiella, R.Ph., PharmD, BCACP, Clinical Pharmacist -Ambulatory Care, OSUP Community Primary Care

This session will showcase practical, case-based approaches to identifying and addressing social determinants of health that influence medication access, adherence, and health outcomes. Speakers will present innovative interventions, collaborative care models, and community partnerships designed to reduce barriers to care and promote health equity. Participants will learn scalable strategies that can be implemented across diverse pharmacy practice settings.

ACPE #0129-0000-26-078-L04-P/T 0.1 CEU Application-based activity

Clinical Spotlight: Remote Physiologic Monitoring/Artificial Intelligence

Jen Sabatino, PharmD, BCACP, Clinical Pharmacist – Ambulatory Care, OSU General Internal Medicine Clinics & Assistant Professor – Practice, OSU Department of Internal Medicine

Explore how remote physiologic monitoring (RPM) and artificial intelligence (AI) are transforming medication management and patient care. Through concise case studies and proof-of-concept examples, speakers will demonstrate practical applications of digital health technologies, including patient monitoring, workflow optimization, predictive analytics, and clinical decision support. Attendees will gain replicable strategies for integrating emerging technologies into pharmacy practice while improving efficiency and patient outcomes.

CONTINUING PHARMACY EDUCATION CREDIT

This meeting is targeted to all pharmacists and pharmacy technicians. The continuing pharmacy education (CPE) for this program is coordinated by the Ohio Pharmacists Foundation (OPF). Pharmacists and pharmacy technicians can earn up to 6 hours (0.6 CEUs) of live CPE credit at this Meeting. To receive CPE credit for the live Meeting, pharmacists and pharmacy technicians must attend the entire session, actively participate, and submit the credit(s) in OPA's LecturePanda platform indicating sessions attended within **60 days of the Meeting**. CPE Statements of Credit can be printed from the CPE Monitor. Access LecturePanda in your email inbox. On the day of the event, LecturePanda will resend the Midyear confirmation email to your inbox with a link for access. In LecturePanda, the attendee will have access to complete the following:

1. claim credit(s) under the Credits Tab,
2. speaker evaluation for each session under the Evaluations tab,
3. one-time meeting evaluation under the Evaluations tab, and
4. submit credit(s) under the Complete tab by **January 5, 2027**.

Once all of your quizzes and speaker evaluations have been completed, the *Submit Credits* button on the Evaluations page will turn green. Click on the *Submit Credits* button to allow LecturePanda to upload your CPE credits to the CPE Monitor. After the credits have been submitted, you will receive a message of completion. Learning objectives for the CPE programs can be found on the [OPA website, www.ohiopharmacists.org](http://www.ohiopharmacists.org). Contact OPF at 614.389.3236 for questions regarding CPE.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Disclosure of faculty and commercial support relationships will be made known at the activity. Individuals responsible for planning OPF continuing pharmacy education activities have no relevant financial relationships with ineligible companies to disclose.
