2023 MIDYEAR CPE ACTIVITIES

ACCESSIBLE HEALTHCARE: IMPRESSIVE RESULTS NOVEMBER 5

Get started on earning your continuing pharmacy education (CPE) credit for the 2025 pharmacist licensure renewal cycle by attending the in-person OPA Midyear Meeting, Sunday, November 5, 2023, at The Makoy Center in Hilliard, Ohio. You will have the opportunity to network with your peers while learning the latest cutting-edge information for the practice of pharmacy in Ohio. OPA's 2023 Midyear Meeting offers six hours of CPE credit, including one hour of jurisprudence credit presented by staff of the State of Ohio Board of Pharmacy as well as time to learn about vendor products and services during the Trade Show. Check out the programming below and register as soon as possible for the best registration rates.

Reducing Rehospitalizations by Supporting Transitions of Care

Beth Husted, PharmD, BCMTMS, Director of Pharmacy and Marina Saunders, PharmD, BCGP, Consultant Pharmacist, Absolute Pharmacy, North Canton, OH

By implementing a transitions of care program, pharmacists can positively affect not only patient care, but also their business health through collaborative relationships with community stakeholders. This session will review re-admissions, provide two examples of programs that have been implemented by a long-term care pharmacy, and provide tips on key items to include in your own transitions of care program to positively impact the health of your patients.

Preparing for Winter: RSV Vaccines and Cold Self-Care

Rebecca Lahrman, PharmD, R.Ph., MS, BCACP, Assistant Professor, The Ohio State University

During this session participants will compare and contrast the studies that brought two respiratory syncytial virus (RSV) vaccines to the market. This information will be applied to patient care with a review of vaccine administration. Lastly, as patients continue to reach to supplements for their cough and cold symptoms, you will learn about updated literature to support patient care decisions.

Why Wait? A Pharmacist's Guide to Weight Management

Sarah Leupold, PharmD and Emma Siegel, PharmD, PGY2 Ambulatory Care Residents, The Ohio State University College of Pharmacy / General Internal Medicine Clinics, Columbus, OH

Pharmacotherapy for weight management has seen a dramatic increase in utilization over the past year. Pharmacists can be instrumental in recommending, monitoring, and assisting with access to these medications. The goal of this presentation is to provide an overview of FDA-approved medications utilized in weight management, clinical considerations when initiating pharmacotherapy, and potential barriers that may be faced with the rising popularity of the drugs. The session will utilize a patient case so that the audience can apply these principles to practice.
