

# ***Ohio Innovative Practice Roundtables***

Jennifer Rodis, PharmD, FAPhA  
Professor and Associate Dean for Outreach  
and Engagement  
Ohio State University College of Pharmacy

Pharmacy Forward: Advancing Practice for a  
Healthier Tomorrow!

OPA Annual Conference & Trade Show April 9-11, 2026

# Disclosure Statement

- Jennifer Rodis has no relevant financial relationship(s) with ineligible companies to disclose.
- None of the planners for this activity have relevant financial relationships with ineligible companies to disclose.

## Learning Objectives

At the completion of this activity, the participant will be able to:

1. Describe innovative pharmacy practice models in Ohio
2. Explain how individual pharmacy practices and practitioners are expanding patient care services
3. Describe the successes and challenges of these programs including their financial viability and impact on outcome measures
4. Apply these ideas, opportunities, and resources to enhance his/her own pharmacy practice

# Session Format

- 8 innovative practice roundtables are located around the room
- You will have the opportunity to visit 4 research roundtables
- At each roundtable, the project team will present their innovative practice and facilitate discussion
- After 20 minutes, you will rotate to the next roundtable of your choice

# Innovative Practices

- Utilizing Generative Artificial Intelligence to Develop Patient Educational Materials in a Primary Care Setting
- Optimizing Hypothyroid Management Through Pharmacist-Led Care
- Expanding Pharmacist-Provided Population Health Care with Student Pharmacists
- Expanding the Role of Community Pharmacies in Diabetes Prevention and Management Through DSMES and National DPP in Ohio
- A Pharmacist Led Micro- and Macronutrient Clinic in a Rural and Underserved Setting
- Nurse Practitioner Impact on Transitions of Care Metrics and Clinical Outcomes in a Charitable Pharmacy
- Impact of Clinic-Embedded Clinical Pharmacist on Inflammatory Bowel Disease (IBD) Health Maintenance
- Improving Travel Vaccine Uptake Through Patient Awareness in a Community Pharmacy Setting
